

F+B Collection Spring/Summer 2025

Tabletop

chilewich®

Chilewich brings depth to surfaces.

Reimagining the potential of extruded yarns, New York designer Sandy Chilewich introduced her woven textiles to the international design community in 2000. The innovative placemats, runners, tray liners, and custom table coverings soon replaced the generic tablecloth that once defined fine dining, transforming how restaurants and hotels around the world set their tables.

Today our design-led company's unique coverings for tabletops, floors, and more continue to push the boundaries of form and function. Designed and made in the United States, the ever-evolving F+B collection combines innovative weaves and distinctive colors with extraordinary durability and easy maintenance.

Worktop

Originally developed with Chef Daniel Humm of Eleven Madison Park as a turn-key solution for the daily task of preparing the pass, Chilewich Worktop is a custom covering that addresses the functional demands and aesthetic priorities of professional hospitality environments. It protects essential surfaces with an elegant, durable woven layer that features a waterproof, non-slip backing. Beyond the back of house, Worktop is also ideal for in-room dining, banquets, meeting rooms, beverage stations, tray liners, and corporate kitchenettes.

Why Worktop?

- **Save time and money.** Avoid labor-intensive preparation, regular laundering, and frequent replacement of linen coverings.
- **Streamline setup and maintenance.** Expedite preparation and breakdown. Worktops can be wiped clean, scrubbed, or soaked.
- **Improve aesthetics.** Choose from a broad range of original Chilewich weaves and distinctive colors.
- **Reduce waste.** Conserve energy expenditure and water usage associated with linen coverings.
- **Add a layer of protection.** The woven textile of choice will be bonded to a water-resistant, non-stick, non-slip foam backing, which helps guard delicate surfaces from damage.

Shag Indoor/Outdoor Rugs

Made by tufting loops of Chilewich's signature TerraStrand® yarns onto a primary backing and then binding them to a hardworking vinyl foundation that can weather any storm, Shag mats add texture and stability underfoot, indoors or out. These quick-drying mats are also resistant to mold, mildew, and chlorine, making them ideal for use in spa and pool areas, entryways, bathrooms, and beverage stations. Choose from stocked sizes or customize for the perfect fit.

SKINNY STRIPE, Ocean

Custom Tabletop

Designed with beauty and functionality in mind, Chilewich tabletop textiles are the trusted choice of leading restaurants and hotels around the world. These versatile mats are free of phthalates, easy to deep clean, and feature integrated Microban® antimicrobial protection that lasts for the lifetime of the product. A wide range of weaves and colors are available for custom applications, from place-mats and tray liners to table covers and coasters.
